BREATHE YE

(drawn from selected writings of Abdu'l Baha)

(Chorus) *Breathe ye, breathe, breathe,
breathe ye the fresh breath of life
into the world's worn and wasted body
the fresh breath of life
fresh*

(repeat Chorus)

*the fresh breath of life
fresh breath of life
and in the furrows of every region
sow ye Holy seed*

(Chorus)

*the fresh breath of life
be a guiding candle
in the skies of this world
in the skies, the skies of this world
be birds of the spirit,
birds of the spirit.*

Well now,

(Chorus)

*Breathe ye the fresh breath of life
Breathe ye the fresh breath of life
Breathe ye the fresh breath of life*
